Mr. Jeff Ruch
Executive Director
Public Employees for Environmental Responsibility
962 Wayne Avenue, Suite 610
Silver Spring, MD 20910

Dear Mr. Ruch:

This responds to your Freedom of Information Act request of October 23, 2018 in which you requested:

- Complete copies of the latest PFAS sampling reports issued by the Navy for Navy Base Realignment and Closure (BRAC) sites in California;
- All correspondence between the Navy BRAC program and public and private water districts and regional Water Boards related to PFAS sampling reports for BRAC sites former Marine Corps Air Station Tustin and former Marine Corps Air Station El Toro for the period January 1, 2014 to present; and
- Decision documents regarding the Navy's determination not to delineate PFAS plumes at former Marine Corps Air Station Tustin and former Marine Corps Air Station El Toro.

Your request was received by this office on October 30, 2018 and assigned Case File Number DON-NAVY-2019-000699. We responded on November 28, 2018 and noted an estimated completion date of January 30, 2019. We additionally responded with a new estimated completion date of March 22, 2019 on FOIA Online, due to the need to consult with another naval activity or another agency which has substantial subject-matter interest in the release determination of identified responsive records and to examine a substantial number of responsive records.

We have been examining records and coordinating with other naval activities. That process is ongoing. Navy PFAS policies are available online at <http://www.secnav.navy.mil/eie/pages/pfc-pfas.aspx>. Additional records will be released to you as documents become available for release. An anticipated date for completion of the response to your request will be provided no later than June 28, 2019.

In view of the above, you may consider this to be an adverse determination that may be appealed. Since you have created an account in FOIA ONLINE, you may submit an appeal directly within the web-based system. To do this, you would log in to your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column. The basic information from your request will be duplicated for you, and then you can type in the basis of your appeal. If you prefer to use regular mail, you may submit an appeal to:
